Course registration for the Winter 2020 semester will open October 31st (starting at 8:00 a.m.). Course registration is done through WebAdvisor. You will need your Central Login and password to register into your courses. Be sure to follow the steps outlined in the ‘How to Use WebAdvisor’ document to guide you during registration. Course descriptions are found in the Diploma Program Calendar.

When registering into courses, select the REQUIRED courses first and the ELECTIVE courses next. Please note that most courses will have multiple SECTIONS; the lecture times will be the same but each section will have different lab times. Selecting different SECTIONS may result in conflicts in your schedule. Once you have registered into your courses, click on the Class Schedule Grid. If courses are overlapping each other, you have selected two courses that are scheduled at the same time. You must change your selection to eliminate conflicts.
